

Regional Learning and Exchange Symposium – Strengthening the Capacities of SADC National Structures for Effective Coordination & Communication

3rd - 5th JULY 2023, Maseru, Lesotho -

In an effort to move forward and strengthen the SADC regional block, the **SADC National Coordination Structures have** gathered to discuss and share notes on how best each nation can operationalize their structures and processes to enhance the implementation of the SADC regional integration Agenda, with all 16 Member States in attendance.

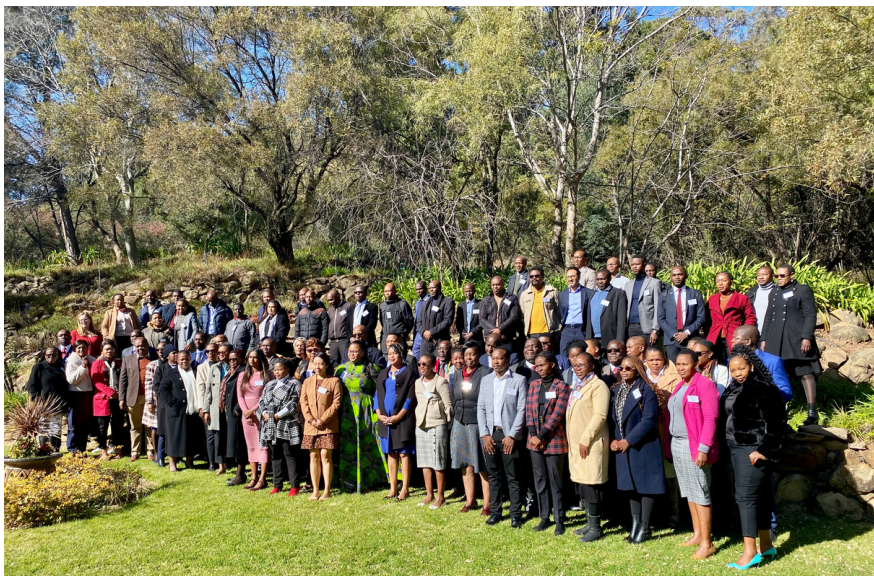

The theme of the Symposium is "Strengthening Capacities of SADC National Committees for Effective Communication in SADC"

Welcome Remarks
Principle Secretary, Ministry of Finance Lesotho Ms Nthoateng Lebona

Mr. Calicious Tatalife,
Acting Director of Trade, SADC Secretariat

SNRL PROGRAMME IN SADC - The Success for the SNRL programme means focusing on strengthening SADC structures, making them active, and building capacity for the region.

The GIZ **Strengthening National-Regional Linkages** in the SADC region (SNRL) is a partnership programme between SADC, the German government, and the European Union which was created - to build strengths and capabilities so that SADC region can make determined strides on a journey that holds so much potential.
