**SELECTION**

**LESOTHO**

**Institutional Support to the Enhancement of public Financial Management Project**

**Consultancy for Mohlomi Corporate Governance Code Website and Portal  
Development**

**Sector:** Public Financial Management Reform

**Financing Agreement reference:** 2100155025968

**Project ID No:** P-LS-K00-003

The Government of the Kingdom of Lesotho has received financing from the African Development Fund towards the cost of the Institutional Support for the Enhancement of Public Financial Management Project (ISEP), and intends to apply part of the agreed amount for this grant to payments under the contract for Website and Portal Development for Mohlomi Code of Corporate Governance in Lesotho.

The main objective of this assignment is to design and develop a website for the Institute of Directors of Lesotho to effectively implement the Mohlomi Code of Corporate Governance. The other specific objective is to create a comprehensive database for the members of the Institute of Directors (IoD) Lesotho. The Consultant will work closely with Institute of Directors, Public Financial Management Reform Secretariat (PFMRS) and other stakeholders

The duration of the assignment is 20 non-consecutive working days over a period of 2 months.

The Government of the Kingdom of Lesotho through the Ministry of Finance now invites eligible **Individual Consultants** to indicate their interest in providing these services. Interested consultants must provide information (CVs) indicating that they are qualified to perform the services including, description of similar assignments, experience in similar conditions, etc. The required qualifications include:

- The individual consultant should have a Bachelor's Degree and 10 years of work experience or a Master's degree with 5 years of work experience in a relevant discipline e.g. Computer Science, Web design, Internet Programming, Software Engineering, Computer Programming and other IT – related courses. Post Graduate qualification will be added an advantage.
- At least 5 years' experience in website design and development
- At least 5 years' experience in database design and development
- Proven experience in Information Management
- Knowledge of Database Design and Development using either: Microsoft SQK Server, Oracle or MS Access
- Knowledge of scripting languages: JavaScript, Vbscript, HTML, PHP
- Knowledge of Web Design Editors: Dreamweaver MX, Delphi for PHP, FrontPage and other related editors,
- Knowledge of Statistical Applications:
- Language skills: Fluency in English, particularly with regards to the website terminology is highly desirable

Eligibility criteria, establishment of the shortlist and the selection procedure shall be in accordance with the **African Development Bank's "Rules and Procedures for the use of Consultants" May 2008 Edition, revised July 2012**, which is available on the Bank's website at <http://www.afbd.org>.

Interested consultants may obtain further information at the address below during office hours 08:00 hours to 16:30 hours.

Expressions of interest must be delivered to the address below or by email by the 13<sup>th</sup> February **2020 at 16:30 hours** and mention "*Consultancy for Mohlomi Corporate Governance Code Website and Portal Development*".
